Docket No.: 06920/000H207-USO

REMARKS

In a telephone conversation between the Examiner and Gordon D. Coplein on August 31, 2004, the Examiner indicated that there were minor errors in claims 25 and 26 presented in the amendment dated August 20, 2004 which were otherwise allowable. The foregoing amendment makes these corrections.

The Examiner also questioned claims 9 and 10 in that they did not recite specific elements of the spectrum analyzer set forth in these claims. The amendment adds to the monochromator of claims 1 and 6 further elements which together with the monochromator of each of claims 1 and 6, forms the spectrum analyzer.

The Examiner indicated that the claims presented in the amendment of August 20, 2004 otherwise appeared to be allowable.

Accordingly, the foregoing amendment clearly places the application in condition for allowance.

Prompt and favorable action is requested.
